 DOB: 07/27/03

Report Date: 4/13/2009

Source	<i>Life Care Plan Transportation</i>				
	Equipment Description	Age/ Year Purchased	Replacement Schedule	Purpose	Cost
1.	Vehicle modification –retractable step – this item may not be required in the future. It is dependent on the type of car utilized by the family and caregivers	5/2009-Life	Every 5-7 yrs if needed	Access vehicle	\$995
<b>Notes:</b>					
Although Savannah will spend increased time in a wheelchair as she ages it is expected that she will be able to stand and pivot into a car seat. A van will not be necessary.

<i><b>Life Care Plan Architectural Renovations</b></i>	
<b>Accessibility Needs</b>	<b>Cost</b>
Although Savannah will require the use of a wheelchair as she ages it is anticipated that she will be able to walk around her residence. She will require stair railings, grab bars and other devices to ensure safety.	Allowance of \$2500 over lifetime
